Dear Friends,

The Chamber of Commerce of the Massapequas has been serving the business needs of the Massapequa community since members came together to form our Chamber in 1948. Our mission has been steadfast throughout the years: "To encourage and promote high ethical and moral business practices for the commercial, civil, and social betterment of its environs." Since that time, we have continued to work tirelessly to ensure that our Chamber has its pulse on emerging issues so that all our members can prosper.

Our organization provides leadership through its various programs and projects and encourages its members to take an active role in representing their business within the community. Our general meetings are held the fourth Thursday of each month. Meetings are rotated among our restaurant members to ensure that we highlight their culinary talents! These general meetings provide an opportunity to meet new business contacts and further develop relationships with other colleagues from many other professions. Networking meetings, scheduled throughout the year, allow members to continue to promote their businesses and develop new connections to our neighboring communities. Information related to our meetings and all activities can be found on our website at [www.massapequachamber.org](http://www.massapequachamber.org) and through our weekly e-blasts.

Our members recognize that being a part of a larger organization offers a voice for advocacy and leadership on the many issues that are germane for our business owners. Being a part of our Chamber offers you and your business endless opportunities to grow and prosper. Each of our members enjoys a free listing on our website and inclusion of their news and events on our weekly e-blasts. For a nominal fee, that presence can be expanded for greater visibility to all our visitors.

Perhaps the highlight of our efforts can be best seen from our annual Street Festival. Each year, thousands of our friends and neighbors participate in this event held on South Broadway in Massapequa. This year, our festival will take place on Sunday, June 2<sup>nd</sup> (rain date June 9<sup>th</sup>.) Each year, over 10,000 friends and residents attend this event which has been acclaimed for its success. We hope you will avail yourself of this wonderful opportunity to promote your business and give back to the community we live and work in, by participating in this extraordinary event.

We encourage all of our local business owners to avail themselves of our organization and the opportunities that we can offer. We welcome each and every local business to join our Chamber family. For any additional question or to join our Chamber, please contact our office at (516) 541 – 1443.

Warm Regards,

Jamie E. Bogenschutz, LCSW  
President, Massapequa Chamber of Commerce

# WHAT'S HAPPENING IN THE TOWN OF OYSTER BAY

Within the Town of Oyster Bay, you'll find an array of museums, historic sites, landmarks, wildlife sanctuaries, arboretums and preserves.

You have the opportunity to camp out at a campground in Old Bethpage, skate at a skate park, have your pup run around with friends at the doggie park or spend a day at Bethpage State Park golfing, playing tennis, skiing or watch a Polo match.

The Town also offers a number of biking/hiking trails, nature walk paths, golf courses, playgrounds, sports fields, picnic facilities, athletic centers, community centers, public libraries and so much more.

Get ready to have an abundance of fun this summer right here in the Town of Oyster Bay!

As frameless as a sliding door can be. No rolling bar or metal to obstruct the tile view. People who visit you won't know if this door slides or pulls open, it is just a wall of glass. This door is custom measured to fit your opening after the last tile and saddle is installed. This door is made "Out of Square" to fit all conditions at no add cost. This door must be professionally installed by The Shower Door for a perfect finish to your bathroom. The invisible door also comes in a variety of glass and metal finishes. Glass options Clear, Ultra Clear, Tinted, and Steam Mist. Also consider protecting your investment with a glass sealer that will close the pores of the glass. The choice of sealer on this product can be Shower Guard or Diamond Fusion. Ask your salesperson what might be best for your needs. Sealer is advised in this area on all glass options due to hard water spotting.
